SUMMARY

This is the twenty-first annual Kentucky college and university enrollment report published by the Kentucky Council on Public Higher Education. As in past years, this report includes enrollment data from the Kentucky state-supported (public) and independent (private) colleges and universities accredited by the Southern Association of Colleges and Schools. In addition, included for the first time are Kentucky Christian College, which is accredited by the American Association of Bible Colleges; Kentucky seminaries accredited by the Southern Association of Colleges and Schools or the Association of Theological Schools in the United States and Canada; Kentucky proprietary business colleges accredited by the Accrediting Commission of the Association of Independent Colleges and Schools.

Enrollment data for Murray State University, Western Kentucky University and Hopkinsville Community College do not include their enrollments through Eagle University. Eagle University enrollment data are reported separately.

During the fall of 1976, the state-supported universities enrolled 69,801 undergraduate students and 15,246 graduate students for a total enrollment of 85,047. The University of Kentucky Community College System had a total of 16,746 students. Enrollment at the independent senior institutions was 16,006. Of this total, 14,974 were undergraduate students, and 1,059 were graduate students. The independent junior colleges had a total enrollment of 1,751. Enrollment in Eagle University at Fort Campbell was 1,073. In the three reporting graduate seminaries, total enrollment was 942, and the one reporting undergraduate seminary had a total of 95 students. Enrollment in the business colleges was 6,777.
